

Jay Baliga, MBA

Consultant

ABOUT JAY

Jay is a well-respected and multi-talented accounting professional with over 25 years of experience. In addition to international accounting and management experience, Jay is knowledgeable in a variety of industries and accounting areas, and she has been a trusted advisor to both large and small businesses.

Jay's extensive accounting background includes financial and managerial reporting, regulatory reporting, accounting policies and procedures, audit compliance, and financial analysis. She has an in-depth understanding of the month-end close process, consolidations, budgets, SEC filings, and reconciliations. With her well-rounded skill set, clients appreciate Jay's ability to bring a unique perspective to the engagement and to provide crucial insights to their business problems. Jay has a proven track record of applying her accounting expertise to projects that involve internal controls assessments, business process improvements, and the implementation of best practices.

Jay is consistently recognized for her exceptional customer service and her ability to develop strong client relations. Her excellent team-building and communication skills have proven to be invaluable on all of her projects.
