

Sarah Carroll, CPA, MAcc

Consultant

ABOUT SARAH

An accomplished accounting and finance professional with more than ten years of experience, Sarah is well-versed in the preparation, review, and analysis of financial statements in complex, multi-entity organizations. She has particular expertise in enterprise consolidations, SEC reporting, and international accounts receivable, as well as familiarity with IFRS standards within the retail industry.

Sarah has had a consistently progressive career with a major retail firm, and she has significant experience in audit, compliance, and internal control testing and maintenance, including SOX, as well as a history of successful ERP implementation. In addition to her technical skills, Sarah has demonstrated her talent for leading and developing teams to the successful completion of projects.

Clients value her advanced accounting knowledge as well as her strong communication skills and her proven ability to identify and implement process improvements, which result in significantly increased efficiencies for the organization.
